ABOUT PMPS

In 1976, we started the Modern Kindergarten School under the Dhanabakiyathammal Educational Trust in Kilvelur (Thiruvavur Dt).

In 1980, the Modern Group of Institutions was formulated and the "Modern Matriculation Higher Secondary School" was established in Jayankondam. Today, the trust boasts of having a group of institutions that offer courses at Modern Arts and Science College, College of Education (B.Ed.), Teacher Training Institute (D.El.Ed.), Polytechnic College.

This forward-thinking management group with more than 46 years of combined experience founded **PM PUBLIC SCHOOL (CBSE)**. Together, the institution's administration, faculty, and students strive for excellence in all curricular, co-curricular and extracurricular activities.
